**NOTES:** This vacant land with 400 feet of frontage on Lecanto Hwy is located in Citrus County, Florida, near both single family and multifamily subdivisions as well as commercial plazas with retail and offices. Similar forms of development would likely be welcome on this land with a multifamily PUD with 3 villas attached two by two, a natural green buffer from the street, and retention pond in the back using natural gravity. Similarly, a small strip mall center with 9 shops and parking could be proposed to the county. \*Both concepts will require sewer extensions by Publix.
